Dear Sir,

Referring to your informal note of yesterday calling for a report of the action taken in the matter of sending an officer to Pondicherry, I beg to state that as my Head Clerk Mr. G. Narasimhachar was too ill to go himself, I wired to Mr. Sadasiva Rao to go if his health would permit or send Mr. Raoji Prathi Sastry, Asstt. Engineer, Mysore Dept., and in case neither of them can go, to send Mr. Ramiya, Supdt. of the Mysore Secretariat. A reply was received last evening that Mr. Sadasiva Rao was himself too weak and that Mr. Ramiya was leaving by the same evening train for Pondicherry. He is well known to the Mahe people [illegible]

Mysore, dated 18th October 1918.

Dear Mr. Aravamudu Iyengar,

I have just received the Government Order of this day sanctioning an advance of Rs.4,000 to the Sivaganga Matt and requesting me to arrange for the remittance of the amount immediately to Mr. B. Ramaiya, Superintendent of the Muzrai Secretariat at Pondicherry. The Government Order does not say how or on whose voucher the amount should be drawn from the Treasury and Mr. Ramaiya to whom the amount is to be sent is an official accountable to the Muzrai Superintendent. It appears to me therefore that the simplest plan would be for the Muzrai Superintendent to draw the amount from the Treasury and remit it to the party. It will then be convenient for him to watch the recovery and adjustment of the advance.

Yours sincerely,

Reached this place today at 3 p.m. 27.8.18 after a tedious Railway journey of 13. about 20 hours. The mutt is located in a very decent bungalow outside the town, and a plot of ground abt ½ an acre in Extent has been presented by the owner of the bungalow to the late Swaminathan Sankaradhi within the compound.

Tomorrow morning I shall set about making an inventory of the articles removed

by the natives here. The accounts will also be examined if possible. The ceremonies to be conducted day by day and the cost thereof incurred thereon will be enquired into and full details will be subd.

There is a great deal of work to be done in the Statistical Office written up. V. Srinivasa Rau of the Secretariat Statistical Office has come down here on account of his wife's illness, and

his services will be very useful to me in all this work: As many of the Officials in the Office are down with Influenza & were otherwise not available, I could not apply for the services of any of them.

I shall if you have no objection utilise several Secondary services here in Cairo with the work that has to be done and have in anticipation of your very kind approval asked him to stay with me and help me in my business.

lowest amount that is
said to be collected considering
the low financial condition
of the mass & consistent with
the dignity of the deputed
Swamis. I shall try to make
further reductions when
actually moving the amount.
a detailed list of actual
Expenditure is being maintained
& will be submitted for perusal.

2. The affairs of the
matha are in a hopelessly
unsatisfactory condition.
The cash book shows the
most discouraging Cash balance
of only 13 Rs at the credit
of the matha, while the list
of accumulated salaries to be disbursed to the matha servants
(which I have had prepared)
& shall bring with me
shows the tabooloss
amount of over Rs 20700.
Add to this another sum

of 3000 Rs due to our Servants for 1200 Rs fees in Pada puja, Vallakki puja &c. all these amounts are stated to have been used up for the purpose of the matha during the Swamis tour and Chaturmasya. The agent says that the Swami has contracted certain debts which have to be discharged soon after, and that details of such debts will be furnished on return to Sivaganga. This Kala Vaffenis is far from encouraging and needs looking into early.

3. The ceremonies will be over by the 25th instant and arrangements should be made for starting back to Sivaganga. It is at present decided

bring the Swami back by motor on the 27th instant (Sunday) via Krishnagiri & Vaduganga on the 28th instant (monday).

In order to induce the Matt servants (who by the bye are a set of rowdy rude fellows) to continue in the Service of the Matt at least during the ceremonies, I have told them that their case (re the salaries due to them) would be considered favorably soon; but the lowest that might be done is to send them away with the Railway fare & their native places, with promise of sending their accumulated salaries later on by money order.

4. The Railway fare and other items of Expenditure to be incurred are as follows:—

Railway fare for about 200 mahouts & their native place at an average rate of 6 Rs per head. (The 2d Class railway fare to Bangalore & Pondicherry is Rs 4-1-9 and a large no. have also to be taken partly the Madras Presidency) } 1500 Rs

Charge for sending the mahouts elephants & the Palace at Mysore } 150

Waggon charges for loading, the baleage, Mamuls & other costs Gravel, articles & the Matters } 300.

Tubs, Mosquito nets, Pakals, ~~Lugs~~ trays for the Mahouts } 150

2,100

Besides this, arrangements will have to be made for the subsistence

of the Durbar and
the necessary staff &
Servants to be allowed
him during his minority
and period of training.

5. The amount of
Rs 4000 now sent will
be quite enough for the
Expenses of the ceremonies
and as a further sum of
Rs. 2000 is req.d for expenses
connected with the Durbar
return journey from this
foreign place.)

I therefore beg that
the addl. sum of Rs 2000
(Two thousand) may be
graciously sanctioned
& remitted Soon, so that
we may be able to break
Camp at once and

Start back for Viraganga.

The owner of the bungalow is further urging on the agent to vacate the same as it requires extensive repairs which have to be undertaken at once in view of the monsoons having just begun.

6. I am awaiting the kind orders of the Govt. in the matter of the additional amount required.

Some of the Rosabunni servants also kicked up a row, but they were soon brought to As the major portion of the servants have come from distant parts & have received their salaries for several years past, they naturally felt anxious about their due, and their future. Many of them are utterly destitute not owning a second cloth to wear; and such of them as were in actual need were paid Railway charges to their native places & forwarded. Details have been kept of such charges & will be furnished while submitting a consolidated account

5 The ceremonies were all over on the 25th instant. Brahmins came from the surrounding villages and also from distant places like Tirukkoilur & Tiruvennamalai. They collected in such large numbers that the rate of Rs 1 and 8 as originally intended to be distributed had to be reduced to 4 as on the 10th & 11th days, and 4 D's on the 12th day. In order to reduce the total Exp.

Having started from Thirupattur on the 30th morning (Yesterday), we had again a series of motor adventures in ascending ghat roads which undoubtedly, reminded one frequently that one reached Sulgire, a village 15 miles big and to overn by nightfall. we started from Sulgire this morning and arrived at Jungle at 4 p.m. Today - I am going back. to Bangalore tomorrow night and will attend office on Saturday the 2nd Nov.

So bad roads are not the monopoly of Nilgiris!

Memo

As desired in person I beg to submit the following brief report of the work done in connection with the obsequies of His Holiness the Late Swamigalu of the Sri Swarnagiri Mutha

2) The Swamigalu who had gone to Pondicherry for Chaturmasya and also for medical treatment passed away at that place at 11pm on Saturday the 12th October 1918, the immediate cause of his demise being Influenza which is prevalent there in an epidemic form. Subsequent to the receipt of news of the event of ground has been presented for the Samadhi by the owner of the bungalow in which the Swamigalu was accommodated within the compound. The Chetties of the place who are among the most devoted of the Swamis disciples, headed by one Mr. Ejam Krishnasamy are collecting funds

raising a decent mantapam
& Sambhagudi over the Samadhi
and for instituting daily
puja therein in order to
perpetuate their devotion
to the Rita and to the
person of the late Swami-
gal

Kng Commem
of these facts

3) Having been deputed
by Govt to assist in the
performance of the ceremonies,
I reached Pondicherry at
3 pm on the 16th Oct. 18
and found all the valuables
& other articles not immediately
required for daily use in
the matt secured in boxes
& sealed. They were opened
in the following day before
a Panchayet, and a rough
detailed inventory of all
the articles — idols, Jewels,
vessels, other things, &c &c —
was prepared in the presence
of the Panchayet, and the
greatest care was taken

to

Brace that nothing was lost.

4) A generous advance of Rs4000 having been sanctioned by Govt for the Conduct of the ceremonies the amount was received in good time at Pondicherry, and the necessary Expenses were incurred in accordance with a list of ceremonies the fine through & Expenses to be incurred thereon previously prepared with the aid of Pandits of Pondicherry and approved by the Extra Member Council & Muzrai Secretary, making reductions from the lists as occasion required. Every Effort was made to keep down the Expenditure as low as possible. The ceremonies commenced on the 13th Oct. 18 and came to a close on the 25th idem a large number of people had come for the ceremonies for

surrounding villages and
also from distant places
like Tirukoilur & Tiruvanna-
-malai. The late Swamigalu
was very popular in the
parts he had visited and
was held in high esteem
by all classes of people.
A list of expenditure incurred
on the occasion is herewith
submitted for kind perusal.
There is a balance of Rs 226-0-10
on hand.

This may be credited into the treasury & a receipt obtained. Then the statement of expenditure & the vouchers complete.

5) The paraphernalia of the late Swamigalu at Pondicherry consisted of 2 Mayanas, 1 silver palanquin, 12 carts, 24 bullocks, 1 Elephant, 1 Motor car, and about 150 brahmin & Sudra servants, entailing an expenditure of Rs 100 per diem on the Matt. In order to reduce this large flowing, 11 carts & 22 bullocks were sold to the Matt servants who are agriculturists by profession (as local people did not care for them) for a

a/c

lumpsum valuation of Rs 850 fixed by the Panchayet, this amount being decided to be adjusted towards their arrears of salaries due from the matt. The remg bullock cart and a pair of bullocks were retained for the use of the matt, and I said to have been graciously presented by His Highness the Maharaja was returned to the palace at Mysore. The large establishment was disbanded and sent away to their native places after giving them their damage & other charges of transit, and only a very few servants retained in the service of the matt.

Has any news been yet received of it's arrival at Mysore?

Yes

Agreed

6) The valuables and other things belonging to the matt were ~~dagerly~~ securely packed and removed to a place of safety, and as waggons were said to be available only on the 5th instant two Brahman & two Madras servants were stationed

Pondicherry under the control of Mr. Krishnaswami Chetty who has all along been so helpful to us in our business. They are expected at the Nadarauda Station on the 8th or 9th instant & arrangements have been made to take them to Sriviliputtur safely.

} A suitable letter acknowledging his kind services should. I think, be sent to this gentleman without any delay now.

7) The Junior Swami with gods & jewels which ought to be in his own keeping was brought back in the mail motor car, and arrived safely at Srivilliputtur at 4 p.m. on Friday the 31st October 1918. [It may be mentioned here that we started from Pondicherry on Sunday the 27th Oct.; but a series of motor accidents retarded our return journey]. The mail properties left behind by the late Swami-jalu in the mail were found to be

Quite safe and in perfect order; and the Shekdar of the place has been preparing an inventory of them.

8) The matti affairs are by no means in a satisfactory condition. The salaries of matti servants are hopelessly in arrears, the accumulated salaries aggregating the fabulous sum of nearly Rs 21,000 A shark merchant of Bangalore is said to have obtained an Ordemand promote for 80,000 odd rupees from the late Swamigalu who has however recorded in the matti Order book in his own handwriting that the said merchant got the document from him by force The agent says that there are a great many other debts to be discharged which he promises to furnish us with.

The scale of pay of the clerical and other staff is reported to be unduly liberal and out of all proportion to the nature of work expected. Full details will have to be awaited before Govt are in a position to decide what changes should be accepted as binding

Lea
7.11.18

9) Fortunately the matt is under the management of Govt, and this fact has considerably raised the institution in the estimation of the public both within & outside the State. There are however a great many things that need the urgent attention, and the following items are among the important ones:—

(i) Arrangements to be made for the proper Education & training of the young Swamis so as to make them fit for the high station he has to fill in due course, and the determination of the Establishments necessary for the purpose.

4)

(ii) Preparation of a consolidated & classified inventory of the properties belonging to the matt and keeping them against encroachment or loss.

(iii) Monthly Scrutiny of the matt's accounts

5)

It seemed to me a convenient to depute Mr. B. Ramaiya for a further period of 15 days with a view to study all the details and submit some proposals for the future management of the matt and maintenance and education of the Swamis

A separate note for orders should be put

It is said that the late Swamigalu requested His Highness to allow the minor Swamis to be educated in the Maharaja's Sanskrit College, Mysore, and that His Highness was graciously pleased to sanction this, but to have enquired at the same time why arrangements should not be made to give the Swamis the same training at Periyapatna as in the case of the Swamis of the Sringeri matt. The late Swamigalu did not live long enough to reply this reference. I could not get at this reference. The records of the matt have to be searched & the reference traced.

The P. C. may be asked

D.O. & confidentially, about this to the M. Secy.

with a view to find out the exact situation of the matt affairs – its assets & liabilities.

(iv) Revision of the scale of Expenditure in the matt so as to accumulate funds for the discharge of the advances raised for Kumbhabhishekam ceremony, & the observances of the late Swamigalu.

This may be done by the Managing Committee with the aid of a small committee of gentlemen interested in the well being of the matt & also, especially, the disciples of the late Swamigalu.

(v) Determination of the exact arrears of salaries of matt servants and how far the claims can be settled.

Vide viii supra

* The matt authorities and the Pondicherry gentlemen connected with the samadhi are for moving for some contribution for samadhi puja there. I could not form them much encouragement in this vein, as the matter is one for local devotion.

(x) Sorting and arranging the matt records which are said to contain certain ~~[illegible]~~ valuable documents which may be helpful in getting more income ~~from~~ to the Mathas from certain lands situated outside the State.

May be necessary. This to be done early also

Ram. 6/12

(xi) Certain Inspector matters at the Place are said to cause trouble to the Sri Sudhanga matt. The Matter has to be Examined & abuses, if any, Corrected.

This may be enquired into by the Mysore Inspector at an early date & the results reported. at an early date. Intimate any mistakes in this connection. if any

(xii) Certain close relatives of the late Swami ~~[illegible]~~ seem to be in Expectation of some recognition for their Services to the matt in the Shape of allowances or pensions. This matter has to be settled once for all.

Undesirable but not Surprising. This matter May be looked into by the Mysore Inspector. Intimate his views to the Committee, as a precautionary measure.
